For Immediate Release

Daily Tri-county Update COVID-19

Peoria, Tazewell, Woodford Counties

*Coronavirus Disease 2019 (COVID-19) Known Positive Test Results
Cases residing in these individual counties.*

	Peoria	Tazewell	Woodford	Totals
Confirmed Positive	108	45	13	166
Deaths	3	3	1	7

Total number of persons reported electronically. Provisional and subject to change.

Please note that Illinois Department of Public Health case counts may include testing facility counts of residents from many counties and may not reflect actual testing counts of residents from that county. Check local health department counts for more accurate resident testing numbers.

*Local Hospital Data
Data for all counties using local hospitals.*

PUI cases in ICU	Confirmed cases in ICU	Total ICU Usage for COVID-19	Total PUI/Confirmed in NON-ICU	Total Deaths reported in past 24 hours
7	8	15	31	0

PUI are Persons Under Investigation for COVID-19

Wear Face Coverings While in Public

Wear face coverings in public places such as stores or when you cannot maintain a 6-foot social distance space from others. This applies to everyone over the age of two who can medically tolerate a face covering. The CDC has tips on making a face covering for yourself at www.CDC.gov.

Local health departments throughout Illinois continue to provide disease surveillance and food safety activities to assure the care and safety of our residents as our highest priority.

To find local information on many aspects of the Tri-county community response to COVID-19, visit www.pcchd.org/COVID19.
