For Immediate Release

Tri-County Continue to Offer COVID-19 Vaccine Clinics

Following CDC, FDA, and IDPH guidelines, local health departments in the Tri-County has paused administration of Johnson and Johnson COVID-19 vaccine clinics. Other Moderna or Pfizer clinics will continue.

Out of an abundance of caution, all one-day clinics offering Johnson & Johnson, which requires only one dose, have been paused by the CDC and the FDA, pending a review of 6 cases of a rare blood clot. CDC will convene a meeting of the Advisory Committee on Immunization Practices to assess potential significance.

People who have received the J&J vaccine who develop severe headache, abdominal pain, leg pain, or shortness of breath within 3 weeks after vaccination should contact their health care provider. Right now, these adverse events appear to be extremely rare.

Tazewell County clinics will offer Pfizer and Moderna:

- Thursday, April 15, 2021, 11am-5pm will be Pfizer vaccine
Veterans Memorial Ice Rink, 250 Red Bud Memorial Drive, Pekin
Appointments are encouraged for all individuals age 16+
<https://events.juvare.com/IL-IDPH/13119954-9692-4bfb-9e24-85e6e958877d/>
- For additional vaccine appointments scheduled online or by phone, visit
<https://www.tazewellhealth.org/381/CORONAVIRUS-COVID-19>

Woodford County clinics will offer Moderna:
